DIRECTOR'S NOTES

Imagine if you had to share your Cell Phone with a stranger! UNTHINKABLE! Yes - but in the not so faraway past, people did share their home phone line with other people in their town. Imagine now what you might hear on the other end of the line if you picked up during your neighbor's phone call. YIKES! Now please, sit back and enjoy the world without COVID, Cell Phones, and Social Media! I would like to thank my great cast, staff and the Board of Directors for allowing me to share this fun story from a different time!
