Shakespeare and *fun!* Our passionate mission for the Youth Theatre “Shakespeared!” Workshops is 1) bringing to young people a love of Shakespeare’s beautiful and stirring language in a fun and engaging way, 2) providing for them a venue to explore their own creativity and talents, and 3) encouraging them to express themselves while connecting to a brilliant mind that lived 400 years ago. Perhaps they will find their own niche in the art of theatre through this experience and carry on a rich legacy to new generations.

We hope that this evening’s performance leaves *you* wanting to feast on more of the music of Shakespeare’s work. As we “spear” his text head on, we would like to imagine him rolling over in his grave – and laughing!

“We are such stuff as dreams are made on
And our little life is rounded with a sleep.”
--*The Tempest*, Act IV, Scene 1
